

WAKE UP

Hey, sleepyhead. These dreamy products will make your early mornings a lot less challenging.

Bison + Max Sprecher Signature Straight Razor

It's too pricey for your travel kit but makes a priceless home groomer. The carbon-steel blade will last decades, and the carbon-fiber handle won't give out before the blade does. It's a choice heirloom. Just make sure your kid doesn't turn into Sweeney Todd. | \$895
